Medical Transportation Expense Form

Department of Community Services
Ontario Works Division
www.countyofrenfrew.on.ca

Ontario Works can reimburse recipients and their eligible family members for medical transportation and parking expenses. There are two options for medical transportation funding:

1) Ontario Works will pay a pre-approved company (a driving service like a bus or taxi), or
2) Ontario Works will pay recipients based on mileage. The mileage rate is set by the Province of Ontario and is $0.40/km.

To qualify for medical transportation funding, appointment attendance verification is required. Please submit parking receipts if reimbursement is required.

This form is to be completed by medical staff to verify attendance.

Patient Name: _____

Medical Office Address: _____

Medical Office Phone: _____

Medical Staff Signature: _____

Appointment Date(s)
