# Council Communiqué

## Council Initiatives

- Council passed a resolution calling on the Honourable Jim Prentice, Minister responsible for Parks Canada, to officially recognize Charlotte Whitton as a Person of National Historical Significance. Ms. Whitton, originally from Renfrew, has been nominated for this prestigious honour. Ms. Whitton was the first female to be Mayor of a major Canadian City during the 1950s and 1960s.
- County Council passed a resolution that adds an additional corporate competency to the annual review of County of Renfrew employees. In addition to the three current standards: Professionalism; Focus on Results; and Client Service Orientation, a fourth measurement of performance, "*Honesty and Integrity*" has been added. Each year all County of Renfrew employees undergo an annual review and these competencies form the basis of their performance.
