County Council Celebrates and Commemorates

At the June session of County Council, there were presentations from two delegations; first Ms. MaryAnn St. Michael, Territory Manager, Canadian Blood Services who discussed the new blood donation Clinics, and Ms. Karen Black, CPA, CA, Partner, Scott Rosien Black & Locke, Chartered Accountants presented the 2016 Auditor's Report for the County of Renfrew.

Following the regular business of Council, Warden Jennifer Murphy made presentations of commemorative Canada 150 plaques to each lower-tier municipality, and she also presented a plaque in recognition of service to Councillor Garry Gruntz, who is retiring from local politics and moving to the East Coast.

Also, a very large county map from 1949 that was donated by former County Warden Wallace Krause was revealed, and will be hung in the County Administration Building on display.

County Councillors, and Local Councillors along with staff and guests enjoyed a lunch and some networking prior to Warden Murphy taking the podium along with Chair of the Canada 150 Committee Councillor Kim Love. The two thanked those in attendance and those that volunteered their time and efforts to help everyone celebrate Canada's 150. Of special note Bonnechere Valley Councillor Bob Peltzer was thanked for graciously volunteering his time over the last several weeks to build a Canada 150 time capsule cairn that was constructed entirely from rocks from each of the 17 local municipalities. The cairn includes 17 engraved stones that have each municipality's name on them. Inside are artifacts and memorabilia from each municipality.
