### WARDEN RECOGNIZES COMMUNITY CHAMPIONS

County of Renfrew Warden, Peter Emon, presented this year's Warden's Community Service Awards at yesterday's session of County Council. The awards were presented in three categories. Renfrew County United Way was honoured as the not-for-profit organization, Pastway Planning was honoured as the recipient of the business category, and Mr. Leonard Hopkins was posthumously honoured with the individual award.

The Warden's Community Service Awards recognize and promote the outstanding efforts by community champions in Renfrew County. Warden Emon expressed his pleasure in bringing to light the excellent contributions the recipients have made to their communities. *"Today's awards recognize the outstanding efforts by community champions in Renfrew County. We honour them for their active roles with social responsibility and community contributions. It is with great pleasure that I am publically acknowledging the excellence of these organisations and individuals for their efforts in making Renfrew County better, and for the great way they inspire others to follow their examples."*

Each year, A Selection Review Committee comprised of the County of Renfrew Warden, Chief Administrative Officer, and one member of County Council select the award recipients. Nominees are considered in each of the three categories: Individual Person, Not-for-profit Business, and For-profit Business. All nominees are considered on the basis of criteria as to how they contribute to the County of Renfrew's Quality of life. This year marked the fifth year that the awards were given out.
