## NOTICE OF PUBLIC OPEN HOUSE NO. 2

### Reconstruction of COUNTY ROAD 71 (Matawatchan Road) From 6.5 km South of HWY 41 to County Road 65 (Centennial Lake Road)

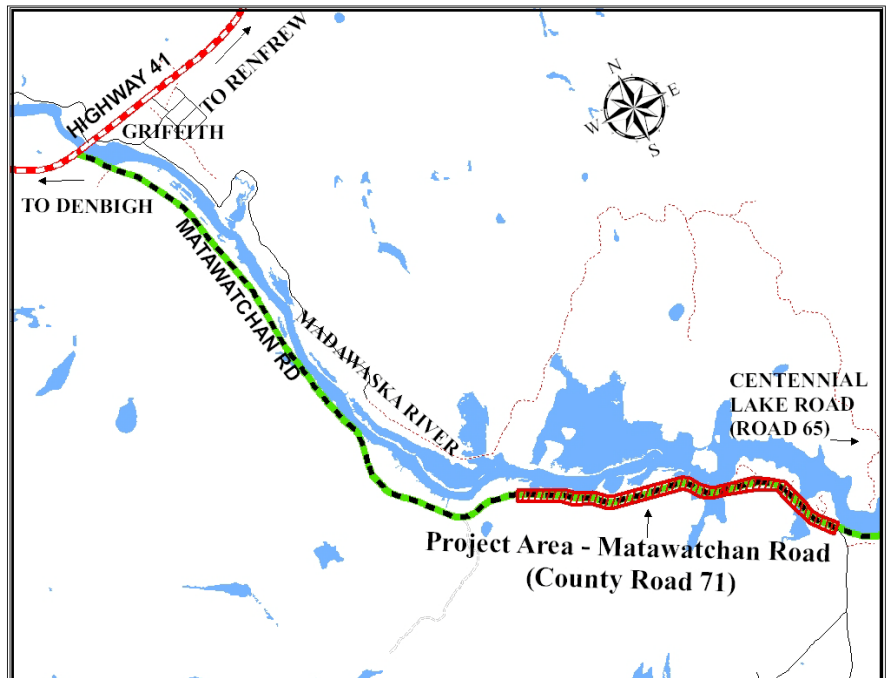

#### The Process

In 2009 the County of Renfrew initiated a Class Environmental Assessment screening for County Road 71 Matawatchan Road. The County has prepared a conceptual design for the road improvements for the remaining section of the road from 6.5 kilometres South of Highway 41 to Centennial Lake Road (County Road 65) a distance of 3.3 kilometres. This section of road is currently in poor condition and in need of rehabilitation.

This Project generally includes:

- Pavement rehabilitation;
- Pavement and shoulder widening to current County design standards;
- Vertical and Horizontal changes to alignment;
- Property acquisition for road widening
- Intersection improvements;
- Culvert replacements and extensions;
- Drainage improvements and;
- Roadside safety improvements

The purpose of the study is to identify the solution that best addresses these safety and operational related concerns while respecting the natural and socio-economic environments. A Public Open House has been planned as follows:
