

COUNTY OF RENFREW

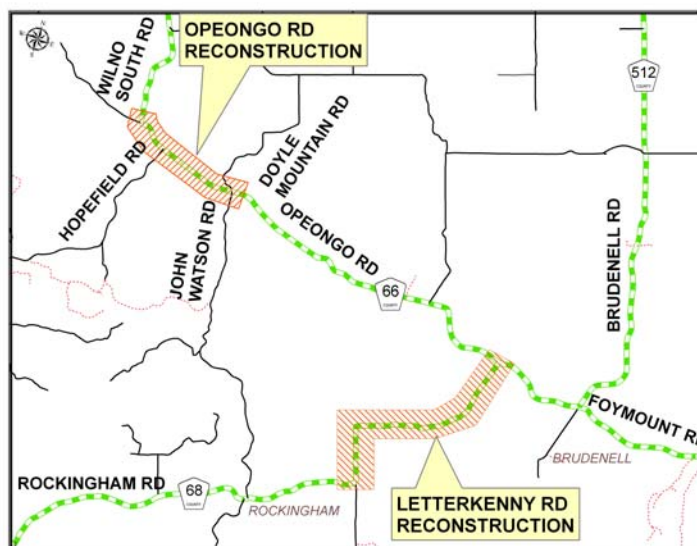

NOTICE OF PUBLIC OPEN HOUSE

COUNTY ROAD 66 (Opeongo Road) - From John Watson Road to Wilno South Road & COUNTY ROAD 68 (Letterkenny Road) from Rockingham Road to County Road 66

The Process

The County of Renfrew has initiated a design study for the reconstruction of both County Road 66 (Opeongo Road) from John Watson Road to Wilno South Road and County Road 68 (Letterkenny Road) from Rockingham Road to County Road 66. These sections of road are currently in poor condition and in immediate need of repair or rehabilitation. Sections of the roads provide inadequate stopping sight distance, and are deficient in both horizontal and vertical alignment. Improvements are required to address an inadequate platform width, improper intersection alignments and drainage problems within the right of way.

Key Map

The purpose of the study is to identify the solution that best addresses these safety and operational related concerns while respecting the natural and socio-economic environments. A first opportunity Public Open House has been planned.
