

Affordable Home Ownership

Are you currently renting and working towards owning a home?

The Canada-Ontario Affordable Housing Program (AHP) has committed more than \$28 million to make homeownership affordable for low and moderate-income households across Ontario. The **County of Renfrew** is participating in this program.

Applicants must be renting, be at least 18 years old, have a combined household income at or below the maximum eligible gross income limit of \$60,100 and have access to mortgage financing.

The selling price of the home must be at or below the average resale price. The home must be modest in size, relative to community standards.
