Welcome

On behalf of the County of Renfrew, Residents, Staff and Volunteers, I welcome you to Miramichi Lodge.

Miramichi Lodge is a municipal, 166 bed long-term care home. It is owned and operated by the County of Renfrew and City of Pembroke and has provided quality care to the elderly since 1969.

The most recent data on the profile of residents in Miramichi Lodge identifies the average resident is 83 years old. The resident population presents with a wide range of health challenges requiring nursing care that typically includes considerable assistance with personal care. More specialized care such as intravenous therapy, complex wound care, palliative and dementia care are performed at an expert level in collaboration with the interprofessional care team. Care delivery is predicated on the belief that the personhood of the resident takes precedence over any particular diagnosis.

In January 2005, residents and staff moved to our brand new, state-of-the-art home located at 725 Pembroke Street West. What makes Miramichi Lodge particularly unique is the natural setting along the Ottawa River overlooking the Kiwanis Walkway and beside Riverside Park featuring walkways that link to these areas.

Miramichi Lodge operates under the direction of the Administrator and is subject to the Long Term Care Homes Act and Regulations. The Lodge has an annual budget in excess of \$14.7M and employs over 225 staff. The Home provides 24 hour nursing and personal care, nutritious meals and snacks, activation and recreation, rehabilitation, palliative and pastoral care, housekeeping, laundry and administrative support.

Our Mission is:

With a person-centered approach, Bonnechere Manor is a safe and caring community to live and work

Residents and families are considered an integral part of the care team and therefore are encouraged to become actively involved in the process of care. Your questions and comments are an invaluable source of information toward assuring an informed and comprehensive approach to care delivery. If you have any concerns at any time, please do not hesitate to contact a manager or the RN in charge.

The move to a long-term care Home can be an overwhelming experience with the significant amount of information to be absorbed. It is our intent that this Handbook will help ease the transition to living in the Lodge. Ongoing information is posted on the Resident/Family Communication Board located in the elevator lobby on the first floor.

On behalf of the Miramichi Lodge Resident and Family Councils, we hope you find this information helpful. I encourage you to contact me per below if there is any additional information you may require.

Sincerely,

Mike Blackmore RN BScN MHS GNC(C)

Mission, Vision, Values

Mission Statement: With a person centred approach, Miramichi Lodge is a safe and caring community to live and work

Vision: Enhancing the quality of life for our community

Values: We serve our community by demonstrating respect, instilling trust and fostering choice. We manage our fiscal resources with accountability and transparency while maximizing opportunities.

Continuous Quality Improvement (CQI) Initiatives

➤ Resident Satisfaction Surveys

Residents or their Substitute Decision Makers (SDM) are requested to participate in an annual Resident Satisfaction Survey to provide feedback on the programs and services projects provided. The results of the surveys are posted on the Resident/Family Bulletin Board and copied to the Resident and Family Councils. An action plan is then developed by the management team to ensure recommendations or concerns are reviewed and where possible implemented.

➤ CQI Plan

The Miramichi Lodge CQI plan is developed and posted on the CQI Board, Resident/Family Bulletin Board and copied to the Resident and Family Councils. The plan outlines the Home's goals for the year to enhance/improve programs and services for residents and staff, consistent with the Strategic initiatives. An interdisciplinary team meet quarterly to review our statistics and make changes as required.

➤ Strategic Plan

The management team, in conjunction with representative stakeholders (Residents, Families, Staff, Volunteers and Board), develops a long range plan (five-year) for the Home to ensure its Mission, Vision and Values are implemented. The management team reviews this document and develops an annual plan.

ACCOMMODATION

Miramichi Lodge is comprised of six, Resident Home Areas (RHA's). Assignment to an RHA is based on the assessed care needs of each resident. The rooms are large enough to accommodate additional furnishings, however, it is important when considering what to bring into the Home, to allow for the residents to safely transfer and easily move about the room and ensure adequate space for staff to provide care for residents, including required equipment.

Each RHA is a small unit of 27-28 residents and features:

- Centrally located dining room
- Spacious lounge area
- Large activity room
- Spa containing a therapeutic tub, shower and ensuite washroom
- Sunroom with a fabulous view of the Ottawa River, Riverside Park and the community
- Access to outdoor terrace
- Tastefully appointed resident rooms with large windows

Residents may choose a private or basic (shared) room. A private room at Miramichi Lodge is 180 square feet of private sleeping and sitting area, as compared to the Ministry of Long-Term Care (MOLTC) minimum requirement of 130 square feet. The private room has a private ensuite washroom and generous space, which allows for the resident to bring in additional furniture, as approved by the Home (refer to "Electrical Appliances" and "Furniture").

A basic room, accommodating two residents, measures 150 square feet per resident as compared to the MOHLTC minimum requirement of 115 square feet. Privacy is provided by a wall or, in some cases, a privacy curtain, separating the two sleeping areas. Both sides of the basic room have a large window. The basic room includes an ensuite washroom, shared between the two residents.

Accommodation rates are established by the MOHLTC and are subject to change annually.

Residents are obligated to pay the accommodation charge, including during approved leave of absences from the home (e.g. during a medical, psychiatric, vacation and casual absences).

Current rates are also posted on the Resident/Family Bulletin Board or you may contact the Home at ext. 115.

In order to apply for a reduction in the charge for basic accommodation, contact the Administrative Assistant-Finance at ext. 115.

Administration Hours of Operation

The Administration office is generally open and can be reached at Ext. 100, Monday through Friday, 6:00 a.m. to 5:00 p.m., excluding statutory holidays. Please note that, occasionally the office may only be open 8:00 a.m. to 4:00 p.m. due to staffing resources.

Advocacy

In assuming responsibility for a considerable portion of the care of the resident, Miramichi Lodge assumes an advocate role.

Alcohol

A resident may have a maximum of two drinks daily when prescribed by his/her physician. The alcohol will be purchased by the resident, substitute decision maker, stored in the medication room and will be administered by a Registered staff member. Residents are not permitted to store alcohol in their rooms.

The CLHIN determines eligibility for and authorizes admission to long-term care homes.

Assistive Devices Program

Basic mobility equipment such as walkers and wheelchairs may be provided to residents on a short-term basis if required. Families are strongly encouraged to have residents assessed by an Occupational Therapist for equipment specialized to match the resident need. The Occupational Therapist will be able to initiate an application to the Assistive Devices Program on behalf of the resident once he/she has done an assessment. This government program may be able to provide assistance for up to 75% of the cost of assistive devices. The Home conducts a biannual inspection of all assistive devices and contacts resident/SDM before making any repairs. Miramichi Lodge is not responsible to repair, replace or purchase any resident mobility devices. For more information please contact the Client Programs Supervisor at ext. 122.

Auxiliary

The Miramichi Lodge Auxiliary operates a Gift Shop, located on the main floor across from the front entrance. Resident crafts, gifts, cards and snacks available for purchase raise valuable funds to enhance the life style of our residents, such as birthday & Christmas gifts or equipment items. The Auxiliary also organizes a number of valuable resident programs including monthly resident birthday and Christmas parties, the Strawberry Social and bingos as well as fundraising via the Tulip Tea.

Beauty/Barber Shop

The Miramichi Lodge Beauty/Barber Shop is located on the first floor and regular and ongoing resident services can be coordinated for a fee, and is also open to the community: (613) 735-0175 ext. 113. Regular ongoing resident services can be coordinated by calling ext. 115.

Birthday Acknowledgements

A consent form for the collection, use and disclosure of personal information is signed upon admission that includes the practice of providing a monthly birthday list to our Member of Parliament (MP) and the Member of Provincial Parliament (MPP). If you wish to be excluded from this practice please advise the Administrative Assistant-Finance at ext. 115 or email bmellish@countyofrenfrew.on.ca.

Cafe M

The Home's new onsite coffee shop offers a convenient location for residents and their visitors to enjoy a snack. The funds generated from Cafe M go back into programs and services at the Home and is open most days from 9:00 a.m. to 4:00 p.m., subject to volunteer availability. More volunteers are always welcomed, so if you or anyone you know may be interested in donating a few hours, please contact Nancy Lemire at 613-735-0175 ext. 122 or nlemire@countyofrenfrew.on.ca. The Miramichi Lodge Foundation generously funds a coupon for each new resident and their guest to enjoy a complimentary beverage at Cafe M.

Call Bell System

Each resident has a call bell at his or her bedside. A call bell is also located in all washrooms, tub rooms and common areas. The call bell is to be pushed when assistance is required. If the resident is not able to push the button, a high sensitivity pad style call bell will be provided. The call bell can be attached to the resident and, if pulled, the call bell will unplug from the wall and become activated. Weight-censored, fall prevention call systems may be purchased by the resident/representative.

Care Conferences

Resident Care Conferences are held to provide an opportunity for the resident/family to meet with members of the care team at Miramichi Lodge, to review care needs from a multidisciplinary approach, to evaluate the effectiveness of interventions, to revise interventions as necessary, and to discuss any concerns/problems related to the provision of resident care.

A team conference shall be held with the resident, if they are able and wish to attend and/or their representative, within 6 weeks of admission to review and further develop the initial written plan of care.

Thereafter, all residents will have an annual multidisciplinary Resident Care Conference. A letter will be sent to the resident/substitute decision maker and physician to inform them of the date, time and location of the Resident Care Conference. Conferences may be held more often as identified by the resident, their family or staff. The resident/substitute decision maker may invite other family members to attend the conference.

Clothing

Miramichi Lodge has an industrial laundry to process the high volume of resident clothes and linens. Please ensure resident clothing is compatible with institutional laundering techniques ("easy care"). Clothing with Velcro, easy closures, larger openings, snap or dome closures, zippers and ease of dressing designs ensure easy and comfortable dressing. We are unable to provide ironing or dry cleaning services.

Death Certificate

Following a resident's death, the RN will ensure that the death certificate is completed by the physician or the nurse practitioner.

The procedure in place calls for the family to contact the funeral home, but typically the RN will offer to call the funeral home on the family's behalf.

Power of Attorney

The authority of Power of Attorney ends and the staff take direction from the Executor(s) of the will.

Resident's Room

Because the Ministry of Long-Term Care requires that the Home must have the room ready for admission within 24 hours, resident belongings must be removed from the room no later than the following day. The resident's family is encouraged to pack up the resident's belongings and personal furniture. If the family is unable to attend within 24 hours or does not wish to pack the belongings, our housekeeping staff will do that task. The Lodge can store items for up to 30 days. Offers to donate furniture, clothing etc. are appreciated, however often must be declined due to limited storage space.

Health Card

The residents' health card is destroyed and a memo is issued to Service Ontario.

Resident's Trust Account

The Administrative Assistant Finance will contact the resident's executor to settle funds remaining in the resident's trust account.

Mail

Any mail that arrives at the Lodge will be kept for the family to pick up. The family is encouraged to make sure mail is redirected to an alternate address as soon as possible.

Phone, Television, Internet

The Home will look after telephone and cable, as applicable. If the resident had an individual internet provider, this will need to be discontinued by the family.

Memorial Service

Miramichi Lodge hosts a memorial service twice a year to honour the memory of deceased residents. Families are invited by mail to attend this service.

Decorating

Residents are encouraged to bring in pictures, ornaments and other treasures that space and safety allow. Please contact the nurse to arrange for installation of picture hangers.

Dementia Care Family Support Group

Caring for a loved one with dementia can be very difficult, affecting every aspect of your life, including family relationships, work, financial status, social life, and physical and mental health. For many caregivers, support groups can be an important resource in sharing coping strategies. Miramichi Lodge co-ordinates a Dementia Care Family Support Group, facilitated by volunteers who have experienced similar care giving challenges along with the assistance of the Alzheimer's Society, on the last Monday of each month, from 1:30 to 3:30 pm at the Lodge. Contact ext. 216 for more information.

Dental Hygienist

Research indicates that there is a direct link between oral health and general health. Dental Hygienist services for residents are provided by an external service provider for a fee and may be accessed by contacting the RN/RPN on the RHA.

Dietitian

The Lodge has an onsite Dietitian whose key responsibility is to ensure nutritional care is provided to the residents consistent with the Ministry of Long-Term Care standards and dietetic professional standards. Fire Drills

Three fire drills per month are required by long term care homes by law. When the fire alarm is announced (Code Red and location) visitors and family members are asked to remain with the resident they are visiting. Staff will advise residents and visitors whether or not the fire announcement is a fire drill, and will provide instructions on what to do. During a fire alarm, elevators and telephones must not be used.

Fire Safety Plan

The building is provided with a two-stage alarm system with emergency voice communication and emergency telephone handsets. The fire alarm system is monitored by a central station monitoring company. The building is protected throughout by a wet pipe sprinkler system.

Exit stairwells are located:

If a fire occurs in your area:

Move out of the room and proceed beyond a fire door or into a fire exit, away from fire – staff will provide assistance

If the fire is NOT in your area:

Remain where you are; staff will provide assistance

Residents who are not ambulatory – remain in the room; staff will provide assistance. Residents who are ambulatory will be evacuated first to reduce congestion and make more room for evacuation of non-ambulatory residents.

Food and Nutrition Services

The Dietitian completes a nutritional assessment within 14 days of a resident's admission in order to identify individual needs, likes, dislikes and therapeutic requirements. Special diets ordered by physicians are provided. The Food Services Supervisor and/or Dietitian monitors residents' nutritional health and well-being and provide consultations as required. Menus change semi-annually (spring/summer and fall/winter) and follow a four-week menu cycle. Dining Rooms are located in each resident living area for easy access and convenience.

Meal Times: Breakfast-8:15 a.m./Lunch-Noon/Dinner-5:00 p.m.

Staff endeavours to implement a rotation of serving meals that is fair to everyone, but we ask your understanding that there may be exceptions related to medical needs.

In-between Meal Nourishments: 10:00 a.m./2:00 p.m./7:30 p.m.

The Ministry of Long-Term Care funds Miramichi Lodge to provide three nutritious meals and snacks each day. The Ministry mandates that this funding can only be used for our residents. Therefore, we are unable to serve the guests of our residents food, snacks or beverages. We ask your understanding and co-operation in not asking our staff to contravene this requirement and/or consuming resident food. Guests may join the resident for meals in the Resident Home Area (RHA) dining room as space permits. If a visitor wishes to enjoy a meal with a resident, they are welcome to purchase a meal ticket from reception Monday - Friday between the hours of 8am-pm, or from the vending machine outside these hours. Food, beverages and candy brought into the Home should be marked with the resident's name, stored in sealed containers and reported to the nursing staff. There is a refrigerator available on each home area for this purpose. Individual refrigerators are not permitted in resident rooms.

Foot Care Nurse

Basic foot care is provided by the Homes nursing staff. If a resident requires advanced foot care, an external Advanced Foot Care Service can be accessed for a fee, by contacting the RN/RPN on the RHA. The Home also provides space to this practitioner for private community clients.

Foundation

The Miramichi Lodge Foundation volunteer Boards' mission is to enhance the well-being and quality of life for the residents at the Home through fundraising events. There are a number of options to support this mission, such as In memoriam donations. In memoriam cards are available at the Home and all local funeral homes. A tax receipt will be issued for all donations made in memory of a loved one. Another method is through 'Planned Giving'. Donations can be set in place through bequests, wills or life insurance enabling residents, friends or family members to fulfill their philanthropic goal of supporting Miramichi Lodge. For more information or to set up a planned giving opportunity, contact the Administrative Assistant-Finance at ext. 115 or email bmellish@countyofrenfrew.on.ca.

French Language Services

Miramichi Lodge is not designated nor identified to provide French Language Services. However, in an effort to address the needs of French-speaking or any other non-English language persons, we will endeavour to provide information regarding our programs and services in other languages.

For printed materials please inform the receptionist.

For electronic information – please note our website provides a link to language translation services provided by Google Translate TM as a free service to all visitors of the County of Renfrew website.

Gift Shop

The Miramichi Lodge Auxiliary operates a Gift Shop, centrally located on the main floor across from the front entrance. In addition to resident crafts, gifts, and cards, snacks are available for purchase. The funds generated from these sales are used to enhance the life style of our residents, such as Christmas gifts or equipment items. Please refer to the sign posted at the entrance of the Gift Shop for hours of operation.

Infection Control

In order to stop the spread of infection, if you are ill with respiratory symptoms such as a runny nose, fever, cough, chills, or with gastrointestinal symptoms such as vomiting or diarrhea, you will be placed on isolation precautions until a diagnosis is confirmed or symptoms pass. What this means is you will be required to stay in your room for a period of up to five days, and anyone providing care to you will be required to wear a gown, gloves and possibly a mask. Your loved ones can still visit, but they may have to gown and glove; the nursing staff will have specific directions from the Infection Control Practitioner and will advise you at the time. We realize this can be lonesome and hard on you to have to remain in your room, however it is a requirement in the Long Care Term Homes Act and the Provincial Guidelines in order to protect you further and the other residents. The best thing that you and your family members can do to help protect yourself and prevent the spread of infection to others is to wash your hands. Please use the alcohol based hand rub outside your room door, inside your room and available throughout the building. Staff are required to wash their hands before and after any direct resident care.

If there are a number of residents on the same home area with similar symptoms as defined by the Ministry, it is called an 'outbreak' which means you will be required to stay on the unit at all times until the outbreak is declared over by our Public Health Unit. This means not going to activities, or other areas of the building. An outbreak typically lasts a minimum of eight days, but can be weeks, depending on if there are new cases. To help keep outbreaks to a minimum, everyone is encouraged to wash their hands.

Inspections

At a minimum of once per year, the Ministry of Long-Term Care Resident Quality Inspectors will conduct an inspection of the programs and services.

Intimacy

The expression of intimacy, touch, warmth and sexual expression are acknowledged as a natural component of adult life. Miramichi Lodge supports the right for each resident to express their need for intimacy in a supportive and non-judgemental environment.

Labelling of Clothing

The Laundry Department labels all resident clothing brought into the Lodge free of charge. A label with the Resident's name is applied inside articles of clothing. Items to be labelled can be left with the Nurses in the Resident Home Area or at Reception.

Laboratory Services

A Laboratory Service, LifeLabs, comes into the Home once a week to draw blood from residents whose physicians have ordered blood work or lab tests and/or transport specimens.

Laundry

Miramichi Lodge provides laundry service for personal laundry and institutional linens. If a resident/family member chooses to do the residents' own personal laundry, there are residential washing machines and

dryers situated on each floor; the key can be obtained from staff. Please note that, when the laundry room is not being used, the door must be locked to protect the safety of all residents.

All residents' clothing is labelled by staff (see Labelling of Clothing). As well, seamstress and/or dry cleaning services are available on a fee-for-service basis.

Leave of Absence (Ministry of Long Term Care Policy)

Current Provincial funding regulations allow each resident to be absent from the Home for the following periods of time:

Casual Leave	-	2 days per week with Sunday being the first day of the week
Vacation Leave	-	21 days per year
Medical Leave	-	30 consecutive days per occurrence
Psychiatric Leave	-	60 consecutive days per occurrence

The total daily charge to the Resident/Power of Attorney-Property during a leave of absence will be the accommodation rate.

Liability/Management of Resident's Property

Large sums of money or valuables should never be left in a resident's room. Residents are advised to keep sentimental items locked in the Memory Box located at their door. A key is available from the Registered Nurse. The Resident/Substitute Decision Maker agrees to release and indemnify the Lodge, its agents and employees from all claims and liability resulting from:

The loss of money, unless specifically deposited in trust funds by the Lodge.

The loss or damage of personal effects. Personal effects would include but are not limited to such items as glasses, hearing aids or dentures.

The loss or destruction of clothing.

Any responsibility related to his/her welfare and care requirements when off the premises of Miramichi Lodge, except when such absence includes a staff escort.

NOTE: Do not leave valuables or money in bedside table; locks are provided to discourage wandering residents only. Staff have keys to residents' bedside tables.

Miramichi Lodge is not responsible for residents lost or damaged personal items. If it is confirmed by the Home that a resident item is damaged due to our negligence, the Home will replace the item at cost. Residents/families may arrange for personal insurance, if they wish.

Literacy Program

The Learning for Life Literacy Program helps residents improve and maintain literacy skills. It is based on an educational curriculum model, facilitated by an external qualified instructor and funded by the Foundation. We are currently seeking volunteers to supplement the Program. For more information, call ext. 122.

A lost and found rack is located in the Laundry area.

The mailing address is:

Mandatory Reports

The Home is required to advise the Ministry of Long-Term Care when there is an occurrence which poses a potential or actual risk to the safety, security, welfare and/or health of a resident or to the safety and security of the Home. Please be advised of the following from the LTC Homes Act (Director refers to the Ministry of Long-Term Care):

Reporting certain matters to Director

[24. \(1\)](#) A person who has reasonable grounds to suspect that any of the following has occurred or may occur shall immediately report the suspicion and the information upon which it is based to the Director:

1. Improper or incompetent treatment or care of a resident that resulted in harm or a risk of harm to the resident.
2. Abuse of a resident by anyone or neglect of a resident by the licensee or staff that resulted in harm or a risk of harm to the resident.
3. Unlawful conduct that resulted in harm or a risk of harm to a resident.
4. Misuse or misappropriation of a resident's money.
5. Misuse or misappropriation of funding provided to a licensee under this Act or the *Local Health System Integration Act, 2006*. 2007, c. 8, ss. 24 (1), 195 (2).

False information

[\(2\)](#) Every person is guilty of an offence who includes in a report to the Director under subsection (1) information the person knows to be false. 2007, c. 8, s. 24 (2).

Exceptions for residents

[\(3\)](#) A resident may make a report under subsection (1), but is not required to, and subsection (2) does not apply to residents who are incapable. 2007, c. 8, s. 24 (3).

Miramichi Lodge has a duty to report the above to the Ministry of Long-Term Care; however a resident or other persons may do so also.

Medical Assistance in Dying (MAID)

Medical Assistance in Dying (MAID) is legal in Canada. A long-term care home is considered 'the home' of the resident. Physicians and nurse practitioners are not obligated to provide MAID – known as conscientious objection. Each resident has an attending physician as his/her resident's primary healthcare practitioner who is required to provide an effective referral for MAID to a requesting resident. Bonnechere Manor has a policy on MAID that includes:

Referring the resident to the external Care Coordination Service to assess for eligibility for MAID. Subject to the eligibility criteria having been fulfilled

Coordinating a transfer to another location (i.e. family member's home in the community) to exercise MAID; or

Coordinating the provision of MAID onsite, to be carried out by external health care providers

We believe this policy strikes an appropriate balance between the rights of eligible residents who seek MAID and physicians' right to conscientiously object to carrying out MAID. If you have any questions, please speak with your attending physician.

Meals on Wheels (on hold during the Pandemic)

Miramichi Lodge coordinates a Meals on Wheels program to assist seniors, disabled adults, and those with acute or chronic illness to remain in their homes through the provision of hot, fresh, and nutritious meals. The Meals on Wheels program is made possible with the assistance of Miramichi Lodge volunteers who provide free delivery services Monday to Friday for the lunch meal to clients living in Pembroke and Petawawa for a fee. These meals consist of a hot soup, a main entree, a vegetable side, a potato side, a muffin or tea biscuit, and a dessert. For more information, contact the Administration Clerk at ext.111.

Medical Director and Attending Physicians

Miramichi Lodge's Medical Director monitors all medical care in Miramichi Lodge and deals with major medical issues. A resident is able to remain under the care of his/her own attending physician when admitted to the home, provided the physician signs an agreement stating he/she will arrange for 24 hour medical coverage for the patient. Attending physicians are accountable to the Medical Director for meeting the home's policies and standards of medical care.

Attending physicians will assess, plan, implement and evaluate their residents' medical care and participate in the interdisciplinary approach to care according to the Home and Ministry of Long-Term Care policies.

Medications

Prescribed medications are dispensed by a Registered Practical Nurse (RPN) and/or a Registered Nurse (RN). Residents capable of safe self administration of medication may do so with periodic inspection by the nursing staff for compliance. All natural health products and over the counter drugs must be approved and ordered by the physician.

On admission, Miramichi Lodge will obtain a supply of medications as ordered by the resident's physician. The registered staff maintains a record of the medications the resident requires and receives. All reordering of drugs and ordering of new medications will be taken care of by the nurses in consultation with the resident's physician or the Medical Director.

All residents' medication profiles are reviewed upon admission and then, at a minimum, quarterly per year thereafter by the attending physician, in conjunction with a Registered Nurse. Residents of Miramichi Lodge will be invoiced individually by the pharmacy. All residents at Miramichi Lodge qualify for co-payment, as directed by the Ministry of Long-Term Care guidelines.

Newsletter

The Miramichi Lodge Newsletter provides interesting news related to the Home, coverage of recent events and highlights of residents, staff and volunteers. The Newsletter is coordinated by a volunteer and sponsored by business organizations. Submissions to the Newsletter are welcomed and encouraged (ssheedy@countyofrenfrew.on.ca). The Newsletter is available at the Lodge or on our website at www.countyofrenfrew.on.ca.

Arrangements can be made with the Administration Office for personal newspaper subscriptions, delivered to the resident's room. Contact the Administration Department at ext. 100.

Notification of Substitute Decision Maker

The Substitute Decision Maker will be contacted in accordance with the sequence of individuals listed on the "Admission Record", with the first name being the initial contact person.

Nursing / Medical / Palliative Care

Miramichi Lodge provides 24-hour individualized nursing care by Registered Nurses (RN's) and Registered Practical Nurses (RPN's) as well as Personal Support Workers (PSW's) to meet the physical, emotional, intellectual, spiritual and social needs of the residents. An interdisciplinary approach to care is practiced in the Lodge, which includes the involvement of the resident and family whenever possible.

We share the services of a Nurse Practitioner (NP) with Bonnechere Manor. NP's are RN's with an expanded scope of practice, working in collaboration with the physicians to provide timely assessment and medical treatment. The NP has to prioritize the residents he is able to see based on referrals received and the residents' needs. If you would like to speak with the NP, call ext. 310.

In addition, there is a Medical Director and regularly attending Physicians. The Lodge also provides assistance with transportation arrangements for medical appointments.

The Home provides onsite Palliative Care. Miramichi Lodge staff and volunteers are committed to provide specialized care to the terminally ill residents of the Home including physical, emotional and spiritual support for the residents and their families. Registered nursing staff will collaborate with residents and family as a resource to ensure the appropriate and timely transition to palliative care as circumstances warrant. End of life care is to be achieved in a manner that promotes resident dignity and comfort. Registered nursing staff, including the nurse practitioner are readily available to discuss questions or concerns you may have regarding both palliative and end of life care. The pamphlet "Gone From My Sight" detailing what one can expect to witness near end of life is available to family at request.

Parking

Free visitor parking is available in the east lot. The six parking spaces closest to the main entrance are reserved for handicapped parking. No parking is permitted in the area immediately outside the main entrance in order to maintain a clear route for emergency vehicles. Arrangements can be made for resident parking; please contact the Administration Clerk at ext. 100.

Pastoral Services

Miramichi Lodge provides spiritual support programs for all residents through an organized pastoral care program which responds to the needs and desires of the residents. Regularly scheduled multi-faith services are held in the chapel located on the second floor. The Miramichi Lodge Resident Life Enrichment Calendar, distributed to residents and available at the Administration Office and on the Home's website, lists times for the various services.

Personal Hygiene Products

Drawers in each resident washroom are provided for the storage of hygiene and grooming products. All personal care products must be labeled with Resident names. Miramichi Lodge will supply personal use hygiene products, however residents who prefer using a particular brand of product are welcome to purchase specific product brands at their own expense.

Pet Therapy Program

Miramichi Lodge has a visiting dog program – a number of volunteers bring their dogs in to visit with residents on an ongoing basis. This paw print logo identifies residents who wish to participate in our pet therapy program:

Families/friends of a resident may also bring their dog in to visit with the resident providing proof that the dog has up to date immunization against rabies and DHL (Distemper/Hepatitis/Leptosporosis) at minimum; dog is kept on a leash while being transported to and from the visiting area; and the dog is not allowed in the resident dining rooms during meal times.

Pharmacist

The Home uses the services of a contract Pharmacist who is on-site a minimum of once a week to meet with residents/families and staff. To book an appointment, contact the RN/RPN on the RHA.

Photographs

A Miramichi Lodge staff member takes each new resident's picture on the day of admission and at least annually thereafter. This allows staff to get to know the resident sooner and it's a safety measure for medication administration and evacuation in emergency situations. Upon admission the resident/substitute decision maker will be asked to sign an authorization permitting photos of the resident to be taken for such things as newspapers, the website, newsletters, social media or to be posted in various locations in the Home.

Physician Services

The Home has a Medical Director and several Attending Physicians who provide medical care and services to residents, and attend Miramichi Lodge on a regular basis. Medical care is available to all residents 24 hours daily. Residents may retain their own physician or RN(EC) providing he/she has privileges with Miramichi Lodge.

Physiotherapy

The Home has a part-time Physiotherapist and Physio Assistants on staff. For more information, call ext. 122.

Power of Attorney

The resident/designate is asked to identify the person who Miramichi Lodge should notify in case of an emergency. The resident or his/her next-of-kin will also be asked if the resident has given anyone Power of Attorney. Having a Power of Attorney for Property allows the designated person to act on the resident's behalf in a situation when the resident could not act for his/herself in relation to property and finances. Power of Attorney for Property can handle the resident's finances and can sign in relation to his/her assets. A Power of Attorney for Personal Care can make personal care decisions if the resident is unable regarding, for example, treatments or medical procedures. Powers of Attorney can be designated by a lawyer or by an authorized person. Miramichi Lodge must be notified of any changes in these agreements. Miramichi Lodge must be able to contact a Power of Attorney for Personal Care at any time; he/she is requested to advise the Administration Office of how he/she may be contacted during vacation travel.

Pre-authorized Payment Plan

Monthly resident maintenance (accommodations) can be paid using the pre-authorized payment plan. Completion of the authorization form and submission of a void cheque is required. For more information please contact the Administrative Assistant-Finance at ext. 115.

Prevention of Resident Abuse and Neglect Policy

We work proactively with our staff to provide the highest quality of care, dignity and safety to our residents. We have a zero tolerance policy of any type of abuse. Our Prevention of Abuse/Neglect policy is communicated to all residents/families upon admission as well as to all staff upon hire and through annual re-training. In addition, the policy is posted on the Resident/Family Bulletin Board.

Duty to Report Potential/Risk of Harm to a Resident: Harm or risk of harm that must be reported include neglect, abuse, incompetent treatment, unlawful conduct, misuse, misappropriation of funding or resident's funds. Residents are not required to report however residents have the option to report. Family and volunteers are expected to do so as well.

All incidents are thoroughly investigated by the supervisor or RN in charge of the Home (designate). A report is made to the Administrator; if resident abuse or neglect has occurred, disciplinary actions are taken up to and including dismissal of the employee involved.

If there is any evidence of actions of a criminal nature, the Administrator or designate will notify the appropriate authorities.

Whistleblowing Protection: No legal or other action can be taken for reporting incidents mentioned above and retaliation (i.e. resident cannot be discharged, staff dismissed or threatened with retaliation such as discipline or suspension).
