Ontario Renovates Program Eligibility Criteria, Program Rules, Eligible Repairs, Application Process, and Application

Ontario Renovates is a program that provides financial assistance to homeowners by way of a forgivable loan to repair their home to acceptable standards while improving the energy efficiency and/or increasing accessibility of their unit. The program helps homeowners in substandard dwellings who cannot afford to pay for the necessary repairs to their home. This program is funded by the Investment in Affordable Housing for Ontario Revolving Loan Fund. Funding is limited and applications will not be accepted prior to June 6, 2022. Applications will be approved in the order that they are received and deemed to meet eligibility criteria.

- Loans are repayable if the home is sold, the homeowner/title holder(s) cease to live in the home, or if funding is used for other purposes.
- If the cost of the mandatory repairs is more than the maximum forgivable loan available, the homeowner will be required to cover the additional cost.
- If assistance was previously issued under the Ontario Renovates Program or the Emergency Minor Home Repair Program, new requests for additional funding are ineligible.
