

ADOPT-A-ROAD PROGRAM
Application/Formal Agreement

Purpose

The County of Renfrew's Adopt-A-Road Program has been established as a public service program, for volunteers to enhance the local litter collection activities of the County of Renfrew, by picking up litter along County Road Rights-of-Way. It is a way for environmentally conscious citizens to make a personal contribution to a cleaner and more beautiful environment.

Under the program, a group or an individual agrees to adopt a section of County Road Right-of-Way and keep it clean. In addition, a sign will be erected by the County of Renfrew to acknowledge the group's or individual's efforts.

Participation in the Adopt-A-Road Program

Highway safety is of primary importance in all County of Renfrew decisions related to the Adopt-A-Road Program. Only groups and individuals determined by the County of Renfrew to be responsible and to exhibit, in good faith, the desire and the ability to achieve Adopt-A-Road Program objectives (within the parameters of these terms and conditions) will be allowed to adopt a section of County Road Right-of-Way. The County of Renfrew may refuse to grant a request to adopt a section if, in its' opinion, granting the request would jeopardize the program, be counter-productive to the purpose, create a public safety hazard or be in conflict with County of Renfrew Policies.

Volunteers are not considered as Officers, Employees or Agents of the County of Renfrew. Any injuries, claims, liabilities, suits or costs arising from the volunteers' activities, while participating in the Adopt-A-Road Program, shall be the sole responsibility of the volunteers. Volunteers shall indemnify the County of Renfrew and agree to abide by the County of Renfrew's guidelines and will not hold the County of Renfrew responsible for any injuries or damages that they may cause or suffer, as a result of participating in the Adopt-A-Road Program.

Volunteers are encouraged to recycle materials collected from the adopted section of right-of-way, whenever and wherever possible.
